STATE ENVIRONMENTAL POLICY ACT THRESHOLD DETERMINATION OF NON-SIGNIFICANCE

Description of proposal: The applicant is proposing to construct a new water reservoir on the existing reservoir site, the tower will be approximately 136 feet in height, 70 feet in diameter and will store approximately 3.5 million gallons of water.

Applicant: City of Bonney Lake

Location: XXX Sumner-Tapps Hwy E

Tax Parcel: 0520053045, 0520053037

Lead agency: City of Bonney Lake

The City of Bonney Lake has determined that the above described project does not have probable significant adverse environmental impacts on the environment. An environmental impact statement (EIS) is not required under RCW 43.21C.030 (2)(c). This decision was made after review of a completed environmental checklist and other information on file with the lead agency. This information is available to the public on request.

The City of Bonney Lake as the lead agency has also determined that the requirements for environmental analysis, protection, and mitigation measures have been adequately addressed in the development regulations and comprehensive plan adopted under Chapter 36.70A RCW and in other applicable local, state, or federal laws or rules as provided by RCW 43.21C.240 and WAC 197-11-158. Therefore, the City of Bonney Lake will not require mitigation measures under SEPA.

This DNS is issued under WAC 197-11-340 and WAC 197-11-355. The City utilized the optional DNS method and provided a comment period from **March 5, 2021** to **March 22, 2021**.
