SUMNER SCHOOL DISTRICT

Mayor's Corner

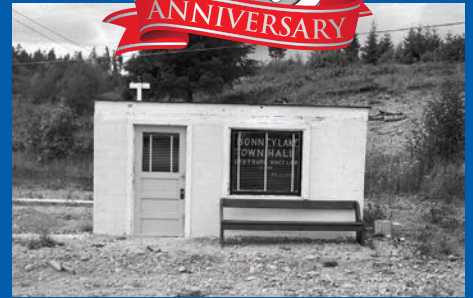

Happy New Year!

As we gear up for spring activities, one of our first events is to celebrate our 70th anniversary since incorporation. On February 28, 1949, the Town of Bonney Lake was incorporated with a population reported at 327. Within a year, Washington's newest city had its own water system, new roads, expanded electric lines, refuse disposal, and telephone service. By 1957, there were 12 businesses in Bonney Lake, with several new shopping developments underway. In 1965, the population had increased to 1,280. Today, Bonney Lake is a thriving community with a population of over 20,000 and over 600 licensed businesses inside City limits.

Let's celebrate! Please join us at the Greater Bonney Lake Historical Society's Resource Center located at the Public Works Center (19306 Bonney Lake Boulevard) on Thursday, February 28 to celebrate this day. The City along with the Greater Bonney Lake Historical Society is hosting an open house from 12 PM to 7 PM with special remarks at 1 PM. We'll share stories, photos, and other artifacts found at the Historical Society's Resource Center and enjoy refreshments.

Hope to see you there!

Neil Johnson, Jr.
Mayor

This building served as the first Bonney Lake Town Hall and was also used on Sundays for church services. The building was located near the current Public Safety building on Veterans Memorial Drive East. Do you have any historic photos of Bonney Lake you'd like to share? Bonney Lake students encouraged to apply for 2019 AWC Center for Quality Communities Scholarship

The City of Bonney Lake is accepting applications to nominate a local student for the 2019 Association of Washington Cities (AWC) Center for Quality Communities Scholarship program. This \$1,000 scholarship is available through a statewide competitive process for students who actively engage in their city government and/or community.

Eligible applicants must be eligible to graduate from high school in 2019, complete home school, or receive a GED in spring or summer of 2019; reside inside Bonney Lake city limits; plan to continue their education in the 2019-2020 academic year at an accredited college, community college, or trade school on a half-time or more basis; and have current or past involvement with city government or with a community/school leadership activity.

Details and the required application form are available at www.citybonneylake.org/community or www.cfqc.org/scholarships/. Completed application materials must be submitted no later than February 22, 2019 to the City of Bonney Lake. For questions, please call 253-447-3103 or email johnsonm@cobl.us.

The AWC Center of Quality Communities is a 501©(3) organization that promotes municipal leadership development and civic engagement, with a goal to develop a broad public understanding of the important role cities and towns play in Washington.

New parking enforcement program underway

The Bonney Lake Police Department launched a new volunteer program earlier this year. We’d like to welcome Dave and Terry as our Volunteers In Police Service (VIPS) unit that will be enforcing disabled parking violations throughout the City. Currently, our VIPS are out patrolling the City giving warnings, but will begin writing tickets in late February. If you see them out and about, make sure you say hello.

Additional opportunities to volunteer may be available in the future. If you are interested in signing up to be added to a notification list, email Police Chief Jeter at JeterB@cobl.us.

26th Annual Sumner-Bonney Lake Area Communities For Families Coalition Community Summit

Do you want to positively affect the health and well-being of the Sumner and Bonney Lake communities? Attend the 26th Annual Community Summit on March 19. This free event, featuring workshops, a keynote speaker, presentation of Community Impact and Unsung Hero awards, and dinner, brings together people who are inspired to take action and make a difference. This year’s theme is “Better Together.”

Photo by Sumner-Bonney Lake School District

Date: Tuesday, March 19, 2019

Time: 4:45-8:00 PM (Pre-Summit Workshop at 3:00 PM)

Location: Calvary Community Church, 15116 Gary St. E., Sumner.

The event is free and open to the public; pre-registration is required. Learn more and register: <https://www.sumnersd.org/Page/4019>.

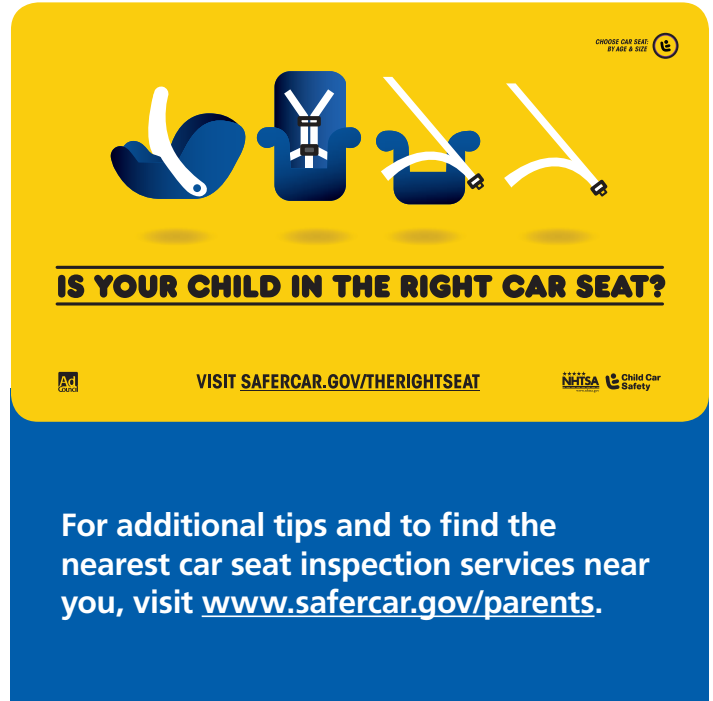

This community event is sponsored by the Sumner/Bonney Lake Area Communities for Families Coalition and is supported by the cities of Bonney Lake and Sumner, Sumner-Bonney Lake School District, Molina Healthcare, the Gordon Family, Calvary Community Church, Judi Richardson and other generous local donors.

Keeping your child safe in the car

Car seats and boosters provide protection for infants and children in a crash, yet car crashes are a leading cause of death for children ages 1 to 13, according to the National Highway Traffic Safety Administration. Using car seats reduces the chance of infant or toddler fatalities by 71% and 54%, respectively.

- Select a car seat based on your child’s age and size, then choose a seat that fits your vehicle, and use it every time.
- Always refer to your specific car seat manufacturer’s instructions (check height and weight limits) and read the vehicle owner’s manual on how to install the car seat using the seat belt or lower anchors and a tether, if available.
- To maximize safety, keep your child in the car seat for as long as possible, as long as the child fits within the manufacturer’s height and weight requirements.
- Keep your child in the back seat at least through age 12.

Car seats can be confusing! Four out of five car seats are not used or installed correctly. East Pierce Fire and Rescue offers free car seat inspections to residents within their service area. To schedule an appointment, call 253-863-1800.

Is your dog or cat licensed?

Bonney Lake’s pets and animals are kept safe by Metro Animal Services, a partnership among seven cities that is operated by the City of Sumner.

If you live within the Bonney Lake city limits, you are required to license your dog or cat through Metro Animal Services. Not only does your annual license help your own pet return home safely, but your license also funds animal services to shelter and feed lost and homeless pets while finding them forever homes.

Metro Animal Services operates an animal shelter that adopts out over 400 pets to their new forever families each year; unites over 300 pets each year with their worried or frantic owners; and responded to over 2,500 calls for service last year.

All of this is funded through annual pet licenses and donations to minimize impact on individual city budgets. Keeping your pets’ license current is a small investment in helping shelter, protect and unite all pets in your community.

To purchase a license, visit the Finance Department at the Bonney Lake Justice & Municipal Center or go online at www.metroanimalservices.org.

Reserve your plot at the community garden

Do you enjoy gardening but are searching for a space to do so? The Bonney Lake Community Garden currently has plots available for 2019.

The Community Garden, located at 18421 89th Street East, was established in 2010 to create a positive, group-centered environment where those who simply love to garden can experience community with others of like interest and watch their efforts blossom.

The number of available garden plots is limited so reserve your plot today! A single plot is \$25 and a double plot is \$50. Senior,

disabled, and EBT discount available. Gardeners are responsible for providing their own topsoil or additive, seeds, and tools. Irrigation is provided by the City.

If you are interested in having a plot in the garden, visit the City's website at www.citybonneylake.org/garden to download and submit a Garden Plot Request form.

If you have any questions, please contact the Site Coordinator at blcg.contact@gmail.com or Membership Coordinator at blcg.membership@gmail.com.

Weed abatement spraying program starting soon

The City will begin its annual spraying program during the month of May, weather permitting. Brush, trees, and other vegetation are chemically controlled along City roads in the Right-of-Way (ROW). This is accomplished following strict application procedures by trained and certified Public Works crew members.

This program is required for several reasons:

- Avoid creation of vehicle and pedestrian traffic hazards

from vegetation that is blocking traffic signs or encroaching on roadways and sidewalks.

- Avoid the spreading of Tansy Ragwort and other noxious weeds.
- Maintain the quality appearance of the City.

Occasionally, property owners with City ROW adjacent to their property prefer to cut the grass and bushes themselves as an alternative to the City spraying in front of their homes. To accommodate interested homeowners, an "Owner Will Maintain Agreement" may be signed by the property owner and submitted at least a week in advance of spraying. The agreement form is available on the City's website at www.citybonneylake.org/forms or in-person at the Public Works Center, 19306 Bonney Lake Blvd.
