A Message From the Chief Dana Powers

Chief Dana Powers
Chief for a Day Logan Burton

It's been another amazing year here in Bonney Lake! I am excited to share our 2016 accomplishments and to brag about the great group of professional men and women that make up our Bonney Lake Police Department.

I've been your Police Chief since 2011 and each year has been an honor for me to lead such a dedicated group of professional, hard working employees that make up the Bonney Lake Police Department.

Highlights from our year include the 22st Annual Citizens Academy, National Night Out, and Bonney Lake Days. Our report will also contain information regarding what our Marine Services Unit, Metro SWAT, Crime Response Unit, Detectives Unit, Records staff, Bikes, Traffic Unit, Community

Service Officers and what our Child Passenger Safety Manager did this past year.

This year we were able to celebrate with our little Chief for a Day, Logan Burton. He was an amazing addition to our staff as he battled heart surgery and complications in 2016. He worked really hard after leaving the hospital and became a really good Chief for our citizens here in Bonney Lake.

We also said goodbye in 2016 to a long tenured records clerk, Barb Wigton. Barb served over 30 years to the City of Bonney Lake and worked as a dispatcher as well as a records clerk. We also said good by to Chad Kiblinger who left to work in the private sector and Zach Kenyon who went to work for Puyallup.

We had another year without a drowning on Lake Tapps this past summer which makes it year number four! Our Marine Services Unit had a strong year in and around the lake providing educational classes to our local and surrounding area elementary schools. Metro SWAT had 20 missions in 2016 which is down from 22 the year prior. CSO's were busier than usual with transports, Property Room, Crime Analysis, Electric Home Monitoring programs, National Night Out and the Citizens Academy to name a few of the programs they were involved in. Our Traffic Unit was focused on impaired drivers and worked the school zones heavily in order to have our kids get to and from school in a safer environment. The Traffic Unit also participated in several fun runs throughout the year.

I hope you enjoy reading this year's addition of Bonney Lake Police Department's Yearly Report. We are a group of dedicated men and women here to service the needs of the citizens of this city as well as our visitors. We are just one of the professional and dedicated departments that makes up the City of Bonney Lake and we embrace the motto: United in Service. We are here to serve our community and to make it an environment people want to come to and raise their families and shop. We are all here for you and we take that job very seriously.

Again, thank you for your support!

Dana Powers, Chief of Police

Tacoma/Pierce county DUI Task Force

Sergeant Hoag

The Bonney Lake Police Department continued its participation in the Tacoma/Pierce County DUI Task Force. The task force is designed for law enforcement agencies in Pierce County to work as a cooperative group to concentrate DUI and traffic enforcement efforts throughout various locations in Pierce County. Each month, officers from these different agencies work DUI or speed emphasis in the local area of the host agency. The DUI Task Force was developed in 1983 when citizens were appointed by Tacoma and Pierce County elected officials to design and implement an education, public information, and enforcement program. Since that time, the program's scope and community involvement has continued to expand and has evolved into today's DUI Task Force.

Bonney Lake Traffic & Patrol Officers worked DUI emphasis patrols in Tacoma, University Place, Puyallup, Fife, Bonney Lake/Sumner/Buckley and areas of unincorporated Pierce County. Bonney Lake hosted the DUI Emphasis Patrol on January 23rd, 2016. During this emphasis patrol 156 traffic stops were made, 61 NOI's/criminal traffic citations were issued and most importantly 13 DUI arrests were made. The Bonney Lake Police Department continued its participation in the Washington State Patrol's Target Zero Team. Target Zero is the state's strategic highway safety plan, and calls for reducing highway deaths to zero by the year 2030. The entire plan can be found at www.targetzero.com. Enforcement is one of four equal strategies of Target Zero, along with engineering, education and emergency medical service. Grants from the Washington State Traffic Safety Commission reimburse law enforcement agencies' salaries for their involvement in these programs. Sergeant Robert Hoag continued to represent Bonney Lake as a member of the Target Zero Team. Sergeant Hoag made DUI arrests in Tacoma, Puyallup, Bonney Lake, Sumner and Unincorporated Pierce County in 2016.

Property Room

Sgt. Sasaki
CSO Yanez

The property room began the year with the annual appropriated property audit. There are 74 items appropriated to various officers or work spaces within the department. One (1) item was destroyed and/or depleted through department training with all other items accounted for.

We received and processed into our evidence room approximately 870 items for 2015. We processed 75 release requests for return of property to the applicable owners/victims.

The property room has continued to strive to maintain effective property room management by the disposing of evidence that is no longer required to be retained in the evidence room. Through case research, we were able to dispose and/ or destroy 632 items for 2015. We had a total of 90 items of illegal drugs, 517 items of property and no firearms that were destroyed.

There was a total of 12 items that went to Propertyroom.com for auction that generated an approximated total of \$78.27 in additional revenue for the department. We are making continued progress of transitioning over to the new bar code system.

CSO's continue to transport inmates to and from jail. Felony prisoners are transported primarily to Pierce County Jail, while gross misdemeanor and misdemeanor prisoners were transported to jails such as: Enumclaw, Puyallup, Fife, Nisqually and SCORE, depending upon available jail space. CSO's transported a grand total of 538 prisoners this year, which is 51 more than in 2015.

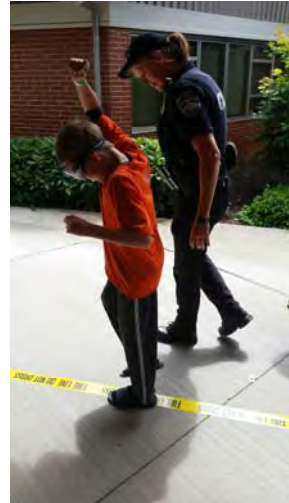

CSO's also supervise Day Court prisoners, which are offenders who have been convicted and are serving their time in court. Day Court allows prisoners a chance to serve their time in the courtroom instead of being incarcerated. CSO's supervised a total of 88 Day Court prisoners in 2016, saving the city approximately \$5,720 in jail costs

CSO Alvord oversees and supervises the Electronic Monitoring Program for the BLPD. The offenders participating in this program have been sentenced to electronic monitoring by BLMC instead of being incarcerated. Electronic Monitoring reduces jail cost and allows offenders to work while serving their sentences. BLPD supervises defendants that have been sentenced to Electronic Home Monitoring and Transdermal Alcohol Detection. 14 offenders were sentenced to Electronic Monitoring in 2016 with a total of 634 days of monitoring. 393 days were served by offenders participating in the Home Monitoring program and 241 days were served by offenders participating in the Transdermal Alcohol Detection program. This monitoring saved the City of Bonney Lake approximately \$41,210 in jail costs for 2016.

Crime Prevention and Community Events

CSO Flaherty, CSO Alvord, CSO Yanez & CSO Miller

Throughout 2016, CSO's and Police Volunteers participated in a variety of community and school events to include: Bonney Lake Days, National Night Out, Citizen's Academy, Open House, Scout Night and Shop with a Cop, to name a few. The Marine Unit in conjunction with the US Coast Guard Auxiliary, started the 2016 boating season by instructing two boater education courses, one in March and the other in April; educating approximately 27 students. Prior to scheduling shifts on Lake Tapps, officers completed a new mandatory annual eight hour training course. Bonney Lake Police sponsored the training, and jointly completed the training with the Lakewood Police Marine Unit. The ten hour training day consisted of, securing the boat on its trailer, trailering the boat and placing it back in the water, along with an on the water obstacle course and a higher speed maneuver. We also worked with the new Sumner YMCA and have been given the green light to use their pool for our annual water training. Our pool training consisted of a water rescue, lap swimming, use of an inflatable PFD and the use of a standard type II life vest.

Officers inspected every City owned buoy; replacing two buoys and provided maintenance to several. The Marine Unit, in conjunction with the US Coast Guard Auxiliary, worked together during two boater education courses, and at East Pierce Fire's Open House.

The Marine Unit reduced the number of assemblies per school to assist with efficiency. This year Officers were in six school districts; Sumner, White River, Dieringer, Fife, Auburn and Carbonado, educating approximately 8,093 students.

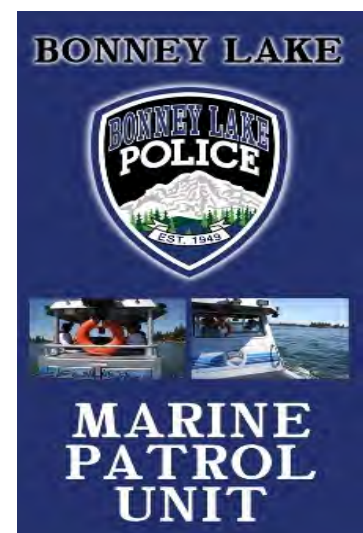

The Marine Unit investigated a boating collision with an injury, filing several charges in that incident. Officers assisted Pierce County with a boating collision, where the suspect had fled the scene. Officers responded to a medical condition which occurred on the water, aiding the victim until fire arrived. This season, officers worked nearly 190 hours on the water and at the boat ramp; enforcing State and Local laws, while assisting citizens and patrol officers at Allan Yorke Park.

The Marine Unit participated in city events; Bonney Lake Days, and Open House. Also a new water safety video made by Officer Wolschleger and the students from videography at the Bonney Lake High School. The video was played at Allan Yorke Park prior to each outdoor movie. The safety video was just a reminder to parents, family and children of how to be safe while around bodies of water. Marine

We are proud to report the Marine Unit received several awards in 2016 for their outreach and innovation to Swimsafe and water safety education.

The National Incident Based Reporting System (NIBRS) is an incident-based reporting system for crimes known to the police. The total number of NIBRS offenses reported to Bonney Lake Police Department for 2016 was 1, 111. That is an increase of 12% compared to 992 NIBRS crimes reported in 2015.

Child Passenger Safety Project Manager Cesi Velez

Washington's Child Passenger Safety Program has been based out of the Bonney Lake Police Department since 2012. Statewide coordination of the State's program has been conducted by Cesi Velez, Project Manager. The results of 2016 align with the averaged activities and results of prior years. In an effort to educate Washington residents and equip families with the appropriate child restraints; the following occurred:

5,007	Car seats inspected
1,429	Car/booster seats provided to families in need
103,877	People were reached with education
80,456	Pieces of educational material distributed

In addition to the above, efforts were made to increase and strengthen the network of nationally certified car seat technicians and inspection resources:

11 Child Passenger Safety Technician (CPST) courses were offered throughout Washington. 85 participants attended the courses to obtain certification.

The Project Manager also facilitates a mini-grant program to support all of the above actions. Up to \$105,000 is distributed on a reimbursement basis to the local child passenger safety teams. The funds are routinely used to support the following:

50%	Child Passenger Safety Technician support
30%	Purchase of car/booster seats for distribution to low-income families

Records & Administrative Assistant

Detective Sergeant T. Longtine

Records Clerks B. Wigton, H. Tower, & J. Amsbaugh & Admin. Assistant L. Emry

In 2016, the records unit consisted of Barb Wigton, Heather Tower and Jaime Amsbaugh. However, after 34 years with the department, Barb Wigton retired 06/30/2016.

The Police Departments Administrative Assistant is Louise Emry. Louise works tirelessly helping with the budget, tracking invoices, tracking training and keeping the training records as well as tracking all of the departments equipment. Louise is tasked with projects from the two Assistant Chiefs and the Chief of Police. She reports directly to the Chief of Police.

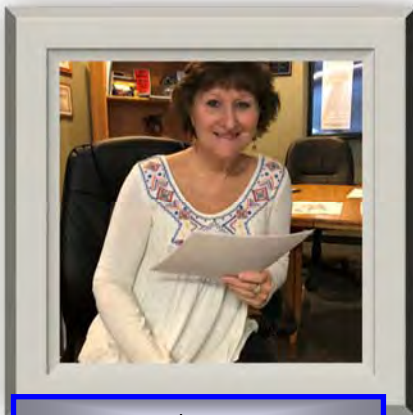

Jaime and Heather participated in the annual Shop with a Cop held at Target helping spread some joy and shop for Christmas presents with some kids who's families are struggling. During the 2016 Citizens Academy, both Jaime and Heather did a half hour presentation on records, informing the students about public disclosure, Concealed Pistol License and the general process of what goes on behind the scenes in the records unit.

Jaime was also busy when she took the lead with another successful Chief for a Day 2016 with little Chief Logan. Jaime continues to serve on the cities Social Media Group, which involves her posting on the City of Bonney Lake Facebook page for the police department.

Barb Wigton served the citizens of Bonney Lake for over 34 years. As mentioned above she retired at the end of June 2016. She started as a part time dispatcher eventually moving into the full time dispatching for our department until we disbanded the communication center in 2003. Since then she worked as a Records Clerk until her retirement. She was the ACCESS Tac for our department working through several years of audits with the State Patrol passing them with flying colors. Barb was extremely active in the winter months when she lead the charge in giving. Barb started the giving tree in the early 1990's which grew to providing gifts to thousands of families since it's inception. The programs outgrew our department and with her retirement we needed to pass on the giving tree to a local church group in our area. Barb's heart was so large her legacy of giving will never be forgotten.
