

## **PUBLIC WORKS WEEK PROCLAMATION**

### **May 16-22, 2021**

**WHEREAS**, public works professionals focus on infrastructure, facilities, and services that are of vital importance to sustainable and resilient communities and to the public health, high quality of life and well-being of the people of Bonney Lake; and

**WHEREAS**, these infrastructure, facilities and services could not be provided without the dedicated efforts of public works professionals who are responsible for the maintenance, operations, planning, design, and construction of streets, transportation facilities, water and sewer utilities, public buildings, parks, trails, and open space; and

**WHEREAS**, public works professionals are always first responders in times of natural disasters and other emergencies that impact the city; and

**WHEREAS**, the 2021 National Public Works Week theme is "Stronger Together", challenges cities and its constituents to think about the role public works plays in creating a great place to live. By working together, the impact constituents and public works professionals can have on their communities is magnified and results in the ability to accomplish goals once thought unattainable.

**NOW, THEREFORE**, I, Neil Johnson Jr., Mayor of the City of Bonney Lake, do hereby proclaim May 16-22, 2021 as National Public Works Week and encourages the Bonney Lake community to recognize the substantial contributions public works professionals make every day to protect our health, safety, and quality of life.

Neil Johnson Jr., Mayor
