## Calling all Volunteers!

Like to volunteer? Love helping people? Want to socialize after being locked down for so long? Maybe consider being a volunteer at the Bonney Lake Senior Center. We have a variety of positions needed from van drivers for a 14 passenger van, To-Go Lunch Service attendants, and home delivery lunch drivers. Our Center is open Monday through Friday with our van service operating mid-morning to early afternoon. Please contact the Senior Center at 253-863-7658 if you're interested.
